

# Weekly Update

Friday 5<sup>TH</sup> July

Happy Friday! Thank you for your understanding regarding sports day. Looking at the weather we will not be able to hold the event until week beginning 15<sup>th</sup> July. Therefore, the provisional date for Sports Day 2024 is now Monday 15<sup>th</sup> July at 1.00. When the event is finished, parents are welcome to come into class so the pupils can share their hard work. Early Years are welcome to join us from 2.30. Again, siblings can visit other classes so families can be together.

## REPORTS

Today you will have received the pupils' reports. This year they have achieved exceptionally well and we will be reporting 78% of pupils in reception have reached a good level of development, 89% of pupils passed their phonic screening and the average score for the times table multiplication check was 20 with 39% scoring full marks. Once again this is above national average and we are extremely proud of all the pupil's attainment. Thank you for having great children!

Each comment will have a comment about attendance. This year we have seen an increase in families going on holiday during term time. You may be aware that here is a change in the statutory guidance issued by the government. Next year not only will I not be able to authorise absence, the risk of fine will be if 5 days have been taken or if there are any further unauthorised absences. I will be sending our new policy out within the next few weeks, but I do wish to bring this to your attention, so you are aware if you are booking holidays for next year.

## TRANSITION

While the Year 4 pupils attend their new school on Wednesday the other children will spend two days in their new class. Children come to school, register, and book lunch in their current class. We will meet in the hall for assembly before the children spend the rest of the day in their new class. At home time the pupils will leave via their current classroom, armed with information for you about next year. They will then spend Thursday in class before returning to normal for Friday.

## DATES FOR DIARY
