

Weekly Update

Friday 10th January

And we are back! It has been a lovely week in school with pupils quickly settling back into the swing of things. Welcome to our new nursery starters who joined us throughout the week Miss Sprague and Mrs Woods have already been singing their praises.

I love this term; it is when the pupils really begin to fly. In our younger years pupils are confident with the phonics they have, reading words automatically and take enjoyment from books, while KS2 use their skills to support learning. Thank you for continuing to read with your children regularly and following the phonic videos as this is an essential part of their learning journey.

FAMILY FRIDAY

On these mornings Classes will invite families in to share their learning, read a book and may even join in in some activities, so come prepared for active learning! If you have siblings across the school just let the teacher know in advance which class you intend to visit. Pop the below dates in your diary and we look forward to seeing you.

Once again, I didn't get a new scooter for Christmas, but it seems that many little ones did. Children should not be using scooters and bikes on the school grounds. Many thanks.

ATTENDANCE

At Arrow Valley we believe that for our pupils to reach their true potential, good attendance is essential.

This week's attendance is...
