

# Weekly Update

Friday 24<sup>th</sup> January

It was lovely to see you all this morning, it was a great success, and we look forward to repeating the event each half term. Reading regularly with your child has a profound impact on their learning. It not only helps build fluency but, even those that are already fluent, the shared experience of exploring words together enables them to thrive. If you would like any tips for reading with your child, please click here.

## PARENTS CONSULTATION

Appointments will be issued soon for your parents evening appointment. The teachers work hard to organise it, so siblings' appointments are on the same evening, and everyone gets an appointment. Any issues please let the class teacher know but be mindful that they have other commitments during the week so appointments cannot be arranged for any other days.

## SUPPORTING FAMILIES

The school has updated the 'supporting families' website. It has lots of information designed to support your family. You can find it here [Arrow Valley First School CRST - Supporting Families](#).

## ATTENDANCE

At Arrow Valley we believe that for our pupils to reach their true potential, good attendance is essential.
