

Weekly Update

Friday 14th March

At Arrow Valley we value our readers. Daily phonics, reading lessons and a real love of books had led to our children achieving well above average over the last few years. In school children have a real passion for reading and use it to access all areas of the curriculum. One of my fondest memories this year is teaching Anglo Saxons only to have pupils searching the library to see what happens next... the Vikings! Although children have access to a range of reading books, books for pleasure and in KS1 Oxford Owls there isn't too much non fiction... until now!

Curriculum Visions 

These online resources give children access to a huge range of books that great for all children as they are for all abilities, excellent for those with an limited attention span and also great for those with a high IQ. You can click here to access this free resource and log in

Friday 21st March is 'Wear what makes you happy day' where we show our support to comic relief.

ATTENDANCE

This week we had a visit from our Trust Attendance lead who was hugely impressed with your children's attendance. He could see how almost all the pupils are in school every day.. He reminded me that I cannot authorise *any* holiday. Over the next couple of weeks some of you may receive a letter reminding you of your child's attendance if it is below a certain threshold but well-done Arrow Valley!

AWARDS

	Star of the week	Awesome Attributes
