

Weekly Update

Friday 30th June

Happy Friday.

With reports coming out next week I have been reviewing the pupil's attendance. Almost a quarter of our pupils' attendance is below 90%. As you will be aware the government is increasing the pressure on good attendance. As a school we would like pupils in every day but understand that children need time off when they are ill.

You can help prevent your child missing school by:

- making sure they understand the importance of good attendance and punctuality
- taking an interest in their education – ask about schoolwork and encourage them to get involved in school activities
- discussing any problems, they may have at school and letting their teacher or principal know about anything serious
- not letting them take time off school for minor ailments – particularly those which would not prevent you from going to work

Next year there will be a new attendance policy making it very clear what support and actions school will offer to support improving your child's attendance when necessary.

DRINKS IN SCHOOL

Please ensure your child has a drinks bottle in school daily. This should be a water bottle that is filled ideally with water or squash. The children may refill with filtered water throughout the day. We please ask that Prime bottles and other hydrating drinks stay at home.
